More Busy Schedule!

As 2018 drew to a close, God kept on filling up our schedule all the way before a couple weeks before Christmas. This meant that we had meetings nonstop every single week from September to December, what a blessing! We traveled as far as Pennsylvania and West Virginia, and had the wonderful privilege of becoming two churches' first missionary! By the end, we were quite exhausted, especially as Colleen developed more into her pregnancy. We were thankful for the break around Christmas before 2019 began.

Preaching

Just like in my previous prayer letter, I got the opportunity to

preach at several churches as my wife interpreted for me. It was great to see them being exposed to that and to show them that the deaf can share God's Word as the hearing can. Of course, it was different for them as they were listening to me preach through my wife. I joked during some of those occasions that this is probably the only time a fundamental baptist church would have a lady preacher! Right before one of those meetings, the pastor of the church came up to me and asked me how does it all

work when I preach. I responded that my wife will be doing the preaching. It took him a few moments for him to gather his thoughts together and he figured it out right there that I'll be the one who is actually preaching and my wife is simply serving as an interpreter. Fun times!

Church Pioneering Conference

Around the beginning of December, We went to a regional conference called the church pioneering conference in northern New Jersey,

right outside of New York City. I didn't get a chance to speak but the pastor of the host church asked me to share my work next year. I also got the opportunity to meet many pastors from the northeast and got invitations to come in 2019 as far north as Massachusetts. Praise the Lord! Please pray that the door remains open for me go to them.

Support Update

Our busy schedule has started to paid off, we're seeing more support coming in now. Since our last prayer letter, our support has more than tripled, from 3% to 10%! As of now, 2019 remains mostly unscheduled, please pray for us to have more meetings.

Prayer Requests

- For our support level to increase.
- For our schedule in 2019 to be filled with meetings.
- For my wife's continued smooth pregnancy.

-Thank you!!
