Dear Pastor

My name is Pastor Terry Buchholz and am writing to you to recommend Matt and Colleen Dundon to be a part of your missions program.

I believe Matt has been called by God to full time work in missions and specifically to be a Deaf Church Planter in Philadelphia.

I have known this couple for many years and have watched them as they faithfully served our Lord Jesus at Hampshire View Baptist Church. Matt and Colleen have been active members while they were completing their degree at Capital Baptist Deaf College. They have continued to grow in grace and in the knowledge of our Lord Jesus for the past few years as the Lord's servants in various capacities. God has used them to have positive influence upon our church members. Now, our Lord has called them move on, yet we rejoice with them in God's clear and faithful guidance in their lives.

I know that you and your church will find them to be a cheerful and encouraging family. I believe you will sense their deep burden to reach the Deaf people of Philadelphia to Christ.

Please prayerfully consider adding the Dundons to your missionary family.

If I can provide any additional information or answer any questions, please feel free to contact me personally. Thank you and may God bless you and your ministry.

Sincerely,

Dr. Terry M. Buchholz, Senior Pastor
