Travel Resumes

As soon as 2021 started (right on January 1st), we were back on the road and had a busy traveling schedule ahead of us. We presented our ministry to various churches in Michigan, North Carolina, Maryland, and Pennsylvania. spoke with them through a recorded video of us instead, and they still took us on, praise the Lord!

Lessons Shared

During this time, I got to share several messages on various topics: Jesus' investment in us; The definition of true enlightenment; Our ministry of reconciliation; Keeping our eyes on Jesus; and Our Story. Each one of those has to do with missions in one way or another. After becoming enlightened by faith, Jesus made an investment in each of us by giving us the ministry of reconciliation. How each of our stories turns out depends on how much we keep our eyes on Jesus during our Christian journey. That's quite a summary from several lessons, but if you want to listen to or watch them, they're on my website inside the grey column above this prayer letter.

Support

From the beginning of the year to February, our support increased from 63% to 72%! We're very grateful that we are making progress.

Prayer Requests

• For support continuing to increase.

• For more meetings in July and August, we have a full schedule for the first half of 2021.

-Thank you!!
